

We are pleased to invite you to participate in the 113th Statewide Arizona Town Hall

CREATING VIBRANT COMMUNITIES

Virtual: January 24-26, 2022
Mornings only online through Zoom

EDUCATE – ENGAGE CONNECT – EMPOWER

Arizona Town Hall brings diverse groups of Arizonans together for invigorating discussions on critical issues. A written report of recommendations is created and distributed throughout the state, forming the catalyst for positive change.

The goal: Using information from Community Town Halls, Future Leaders Town Halls and the Background Report, participants create solutions and action steps to improve Arizona's communities. Participants also connect with leaders and experts, building both professional and community networks.

Who attends? We invite participants who represent diverse regions, occupations, backgrounds and perspectives. Meal programs are open to the public.
