

PRESCOTT COMMISSION ON WELL-BEING & ARIZONA TOWN HALL

INVITE YOU TO ATTEND

CREATING VIBRANT COMMUNITIES VIRTUAL COMMUNITY TOWN HALL

The Prescott Commission on Well-Being's mission is to engage citizens who live, learn, work, and play in the Prescott region in the lifelong pursuit of well being through communication, motivation, and action. Like the individual branches of a healthy thriving tree, well-being includes living with purpose; supportive relationships through family, friends, and community; financial security; a sense of community that encourages residents to support, encourage, and inspire one another; and physical health.

Please join the Commission and Arizona Town Hall and their sponsors to discuss the most important actions that should be taken to improve the Prescott region's overall well being and to make Prescott the premier city of well-being in America.

**WEDNESDAY,
DECEMBER 16, 2020
1:00 P.M. – 4:00 P.M.**
