

Barbara Mason

Vice President, Home and Community Based Services, Sun Health

As Vice President of Home and Community Based Services, Barbara Mason brings energy, experience and a passion for helping others to Sun Health. With over 30 years in the healthcare industry, Barbara has played many roles including Sales and Marketing, Management, Administration and licensed clinician. Barbara has worked with many populations and counts working with active adults as her niche.

Barbara's responsibilities include management and oversight of operations for Sun Health's Memory Care Navigator, Care Transitions, Sun Health at Home, Community Education, Center for Health and Wellbeing and Sun Health Supportive Services.

Barbara received her degree in Counseling from Illinois Central College and is a licensed addictions counselor.

She is delighted to Empower People to Enjoy Living Longer More Purposeful Lives.
